

phenacetin

lidocaine hcl

lidocaine hcl

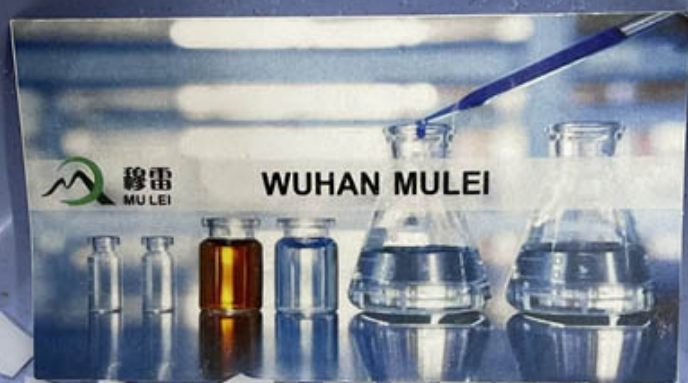

levamisole hcl

A photograph showing a white, crystalline powder, identified as levamisole hcl, contained within an orange dish. The powder is piled in the center of the dish, with some crystals visible along the edges. The background is a light-colored, textured surface.

WUHAN MULEI

tetramisole hcl

BTMS

procaine base

tetracaine

A photograph showing a white, crystalline powder piled in a shallow, light green ceramic dish. A single, vibrant green leaf is placed on the left side of the dish, partially overlapping the powder. In the bottom left corner, a portion of a test tube rack containing several blue test tubes is visible. The word "tetracaine" is printed in a magenta, sans-serif font across the lower right portion of the powder.

boric acid flake
