

Manufacturer & Exporter: [Shanxi Hengyu Group from China](#)

Products: Flanges, Annular forgings

Annual output: 25000Tons (Export percentage: 55%)

Main customers: CATERPILLAR, SINOPEC, LIEBHERR, PetroChina, HITACHI, KOMATSU, HYUNDAI, SUMITOMO, JOHN DEERE, DOOSAN, KOBELCO, SANY, VOLVO, Middle East

Material:

Carbon Steel: A105(N), C22.8, ST-37.2, S400, S440, Q235, 20#, A106B, A53, Q345, S355, 40CrMo, 35CrMo, Gr15

Stainless Steel: 304, 316, 304L, 316L, A350LF2, A182

Size: DN15-DN3000 (Max size: OD=6M)

Max Weight: 20T/PCS

Standards:

American standards: ASME B16.5 | B16.47A&B | B16.48 | AWWA

German Standards: DIN 2527 | 2565 | 2566 | 2573 | 2576 | ...

British Standards: BS 4504 | BS 10

Japanese Standards: JIS | JPI

Italian Standards: UN 2253 | 2254 | 2276 | 6086 | 6084 | 6089

Chinese Standards: HG20592 | 20615 | SH3406 | JB/T81 | JB4700 | JB4721 | ...

European Standards: EN1092

Non-Standard: Diameter below 5 Meters and unit weight below 20 Tons, according to the specified drawings

Certificates:

QC: TUV ISO9001-2008

QC: 6Sigma Certificate of Caterpillar

China Credit Example Certificate
