COMPANY INTRODUCTION

Taian Henson Metal Co.,Ltd located at the foot of Mount Tai, specializing in Stainless steel and fabricating metal products.

Starting from 2005,formerly known as Taian Building Materials Factory that transformed from public ownership to private ownership and developed successfully after China's reform and opening-up. Relying on scientific management theory and production technology,company scale and economic overall strength increased.In response to the national economic development strategy of "the Belt and Road",name was officially changed to be Taian Henson Metal Co.,Ltd on 2016.

On the basis of consolidate technology power,keep improving product quality, henson successively passed ISO9001QS and ISO14001 environmental management system certification.Achieved honors and preferential policies reward from national and local government. Also established a good reputation in the general new and old customers.

With the tireless efforts of many generations,Henson has become a focus of stainless steel manufacturing and other metal products import and export advanced enterprise.

Through the establishment of the analysis of target customers and product usage,we integrating product design and raw materials level to provide high quality products for end users and best cooperation solutions for traders.We focus on metal and serve 10000+ customers and accumulate 10 years of cooperation experience. We always believe that focus achieves outstanding!

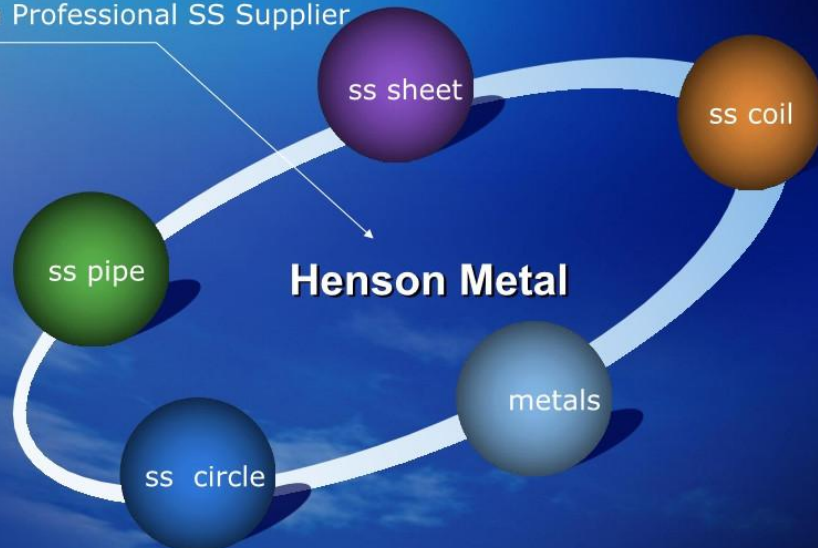

HENSON METAL FACTORY

(2) PRODUCTS

China Professional SS Supplier

SS Coil

HR Stainless Coil

Tk 3.0-150mm,
Width 1250/1500mm
,2000mm,2500mm
Surface:No.1,No.4

CR Stainless Coil

Tk 0.1-3.0mm,
Width 10mm-1219mmk
Surface:BA,2B,4K,6K,8
K,

COIL&STRIP PRODUCTIONLINE

TRANSPORTATION

SS SHEET

Grade:201,202,304,304L,316,316L,310s,309s,321,301,310,410,420,430,904L

Specification:

-Thickness 0.2mm-150mm;

-Width 1000mm,1219mm,1250mm,1500mm,or customized as your request.

-Length

2000mm,2438mm,2500mm,3000mm,6000mm,or as your request.

Surface:No.1,2B,BA,8K

mirror,Hairline,Satin,Embossed,Brush,No.4,HL,Matt,PVC Film,Laser film

Standard:ASTM,AISI,SUS,JIS,EN,DIN,GB,ASME,etc.

SS SHEET

SS TUBE

ss sanitary tube

ss sanitary tubing/tube for dairy industry

Standard: ASTM A270, A269, A312, A249, A554, A358, A409, A778, A789, A790, A928, EN 10217, EN 10296, DIN 17456, DIN 17458, JISG3459, JIS G3463, JIS G3467, JIS G3448, JIS G3468

ss coiled tube

Standard: ASTM A213, A269, A312, A511, A789, A790, A376, EN 10216-5, EN 10297, DIN 17456, DIN 17458, JISG3459, JIS GS3463, GS3467, JIS G3448, GOST 9940, GOST 9941.

ss capillary tube

Standard: ISO 9001/ ASTM A269/ A270/ A312/ A213, GB/T 14976/ GB/T 13296, etc.

SS SANITARY TUBE

Product Name: stainless steel sanitary tubing/tube for dairy industry

Standard: ASTM A270, A269, A312, A249, A 554, A358, A409, A778, A789, A790, A928, EN 10217, EN 10296, DIN 17456, DIN 17458, JIS G3459, JIS G3463, JIS G3467, JIS G3448, JIS G3468

Material: TP316/316L/316H, 304/304L/304H, 321/321H, 317/317L, 347/347H, 309S, 310S, 2205, 2507, 904L (1.4301, 1.4306, 1.4948, 1.4401, 1.4404, 1.4571, 1.4541, 1.4833, 1.4878, 1.4550, 1.4462, 1.4438, 1.4845)

Nominal Dia: 3/8" to 80" NB for welded pipe, Schedules: 5S, 10S, 40S, 80S, 10, 20, 30...120, 140, 160, XXS

All dimensions are in accordance with ANSI B36.19 and ANSI B36.10

Size range for tube: OD 1/4" to 80" (6mm to 2000mm), THk 0.02" to 2" (0.5mm to 50mm)

Length: 20 m(Max) or as your requirement

Process: EFW (argon arc welding / TIG, plasma arc welding / PAW, and submerged arc welding / SAW)

Finish: Mirror polished, bright annealing, Annealed & pickled,

Ends: Beveled or plain end, square cut, burr free, Plastic Cap at Both end

SS TUBE PRODUCTIONLINE

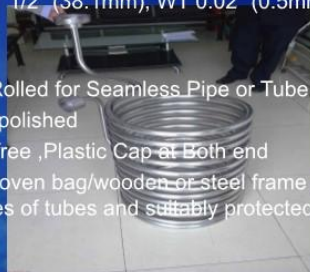

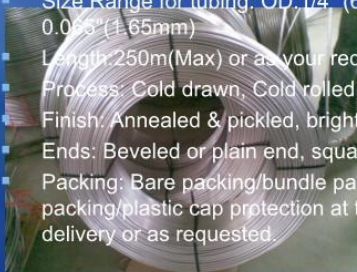

SS PIPE TRANSPORTATION

SS COILED TUBE

- Specifications
- 100% PMI, Spectro Chemical Analysis Test for Raw Material; 100% Hydrostatic Test or 100% NON-DESTRUCTIVE Test;
- Description & Name: Coiled ss tube stainless steel
- Standard: ASTM A213, A269, A312, A511, A789, A790, A376, EN 10216-5, EN 10297, DIN 17456, DIN 17458, JIS G3459, JIS GS3463, GS3467, JIS G3448, GOST 9940, GOST 9941,
- Material: TP304/304L/304H, 316/316L, 321/321H, 317/317L, 347/347H, 309S, 310S, 2205, 2507, 904L (1.4301, 1.4306, 1.4948, 1.4401, 1.4404, 1.4571, 1.4541, 1.4833, 1.4878, 1.4550, 1.4462, 1.4438, 1.4845)
- Size Range for tubing: OD: 1/4" (6.25mm) to 1 1/2" (38.1mm), WT 0.02" (0.5mm) to 0.065" (1.65mm)
- Length: 250m (Max) or as your requirement
- Process: Cold drawn, Cold rolled, Precision Rolled for Seamless Pipe or Tube
- Finish: Annealed & pickled, bright annealing, polished
- Ends: Beveled or plain end, square cut, burr free, Plastic Cap at Both end
- Packing: Bare packing/bundle packing with woven bag/wooden or steel frame crate packing/plastic cap protection at the both sides of tubes and suitably protected for sea-worthy delivery or as requested.

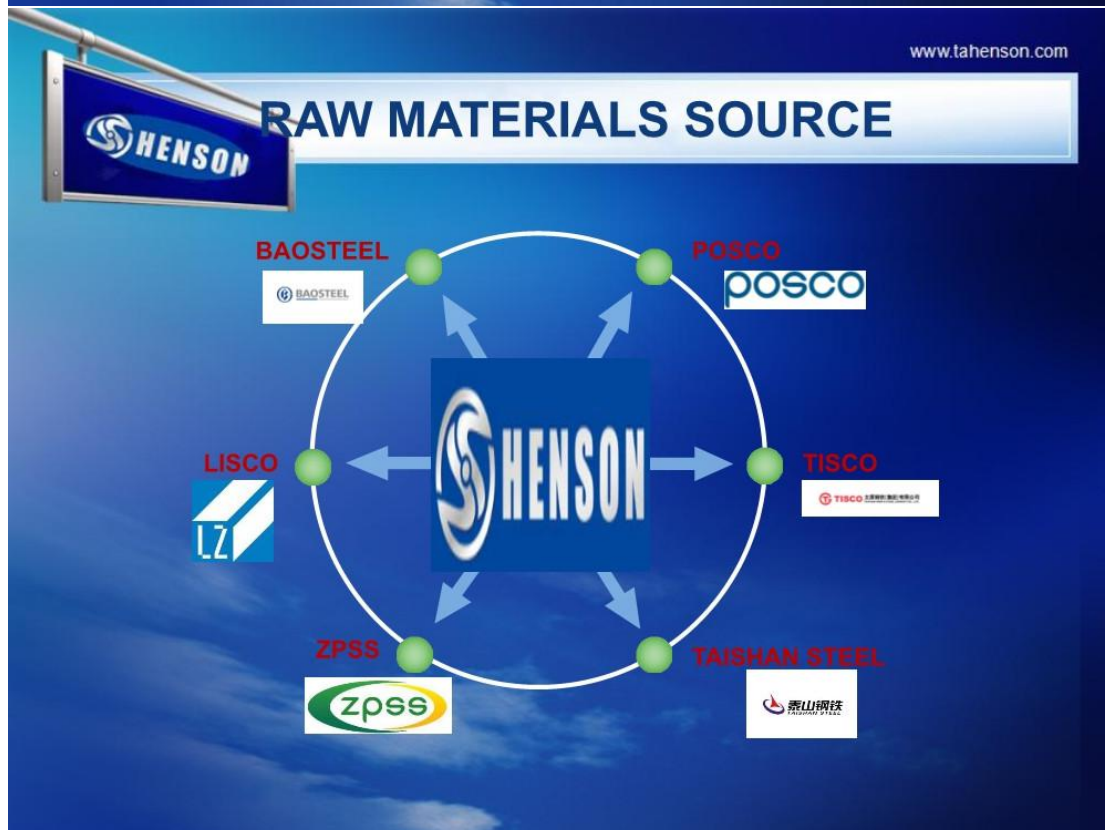

SS COILED TUBE

SS CAPILLARY TUBE

- Size: (9.5-219) x (0.25-5) x (4000 - 13000)mm
- Material Grade: 304, 304L, TP304, TP304L, 316L, TP316L, 321, F321, etc.
- Standard: ISO 9001/ ASTM A269/ A270/ A312/ A213, GB/T 14976/ GB/T 13296, etc.
- Description: Process Method: Cold drawn and then cold rolled
- Surface Finish: 2B, BA, Annealing and Pickling, Matte Finish or Satin Finish
- Mirror Finish, Wire Drawing or Hairline Finish
- Ends Finish: Plain Ends or Beveled Ends
- Test: Eddy Current/ Hydrostatic/ Ultrasonic/ Intergranular Corrosion Or according to customers' request
- Application: For use in the Petroleum, Chemical, Chemical fiber, Medical Machinery, Aerospace, Paper, Food, Shipbuilding, Environmental Protection, Boilers, Heat Exchangers, Pressure Vessels, Condensers, Water, Electricity and other industries.
- Packing: Each in PVC bags, Bundles with knitted plastic bags, Wooden cases or according to customers' request.

CHEMICAL ELEMENTS

Grade	C 碳	Si 硅	Mn 锰	P 磷	S 硫	Ni 镍	Cr 铬	Mo 钼

COOPERATION PARTNERS

2016, Henson Metal signed long-term cooperation strategic partnership with the world famous company Whirlpool for supplying stainless tubes in manufacturing radiator system.

CUSTOMERS IN HENSON

Since 2010, more than one hundred of clients came Henson Metal for visit and cooperation. Most from Brazil, Argentina, USA, Mexico, Italy, Norway, Russia, Ukraian, Netherland, Iran, UAE, Thailand and some of African customers.

EXHIBITION

(4)APPLICATION&PROJECTS

Henson Metal in Thailand 2016 projects for stainless steel handrails and windows. With size $\Phi 15\text{mm}$, $\Phi 20\text{mm}$, $\Phi 45\text{mm}$, with grade 201 and 304. Qty 580 tons Delivered on 20th May, 2016.

APPLICATION

Stair handrail

Stainless kitchenware

Car exhaust

Stainless furniture

Stainless fin tubes

Beer Brewing tube

(5)ADVANTAGE

- 1, Confirm quality in advance, then order placed. Free sample to guarantee the production accordance with customers request completely.
- 2, All third party inspection acceptable such as SGS, GL, etc. Quality Guaranteed!
- 3, Provide the the whole export service including destination port customs clearance. To help inexperienced customers to solve importing problems.
- 4, There's a customer reward mechanism. For example, customer A introduce customer B to us, order placed, customer A could get a certain proportion of the order value as rebate. Besides, if customer B keeps placing order, constant rebate to customer A.
- 5, There's some customers who have long-term cooperation with HESNON could help our new customers in the same country solve many importing problems.
- 6, Foreign agents can assist some local buyers dealing importing questions easily.
